VIVENCIO R. MAMARIL, Ph.D.
Director IV

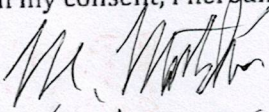

The Bureau of Agriculture and Fisheries Standards of the Department of Agriculture (DA-BAFS) issued this Certificate of Product Registration (CPR) to this product pursuant to DA Department Circular No. 04, Series of 2020, Guidelines on the Registration of Organic Soil Amendments (OSA) Producers and Products, with compliance to the Philippine National Standard (PNS) for Code of Practice for the Production of Organic Soil Amendments and PNS for Organic Soil Amendments subject to the terms and conditions below.

TERMS AND CONDITIONS

1. The DA-BAFS shall suspend this CPR based on any of the following grounds:
 - a) non-submission of new organic certificate within one (1) month after its expiration in accordance with the Section 4 of Article XII of the DA Department Circular No. 04, Series of 2020; and
 - b) non-conformance to current version of PNS relevant to organic agriculture and other regulatory requirements per post-market surveillance report.
2. The DA-BAFS shall revoke this CPR based on any of the following grounds:
 - a) revocation of organic certificate by an officially accredited organic certifying body (OCB); and
 - b) failure of the registered producer to implement corrective actions within the suspension period.
3. As required by RA 10068, PNS/BAFS 183:2016 and DA DC No. 04 s. 2020, the following information shall appear on the label of OSA product(s):
 - a) name, logo or seal of the DA-BAFS' officially accredited OCB;
 - b) "organic" mark together with the OCB's official accreditation number provided by the DA-BAFS' officially accredited OCB;
 - c) product registration number and validity period provided by DA-BAFS;
 - d) for bottles and cartons: trade name; descriptive statement; art work; Registered by the Bureau of Agriculture and Fisheries Standards pursuant to RA 10068; net content; storage and disposal; prohibition; warranty; direction for use; warning or precautions; product information; raw materials used; nutrient content - Nitrogen (N)%, Phosphorous (P₂O₅)% and Potassium (K₂O)%; product description and type; claims; compatibility with bio-pesticides; lot or batch number; expiry date; name of manufacturer or distributor, address and contact number; and
 - e) for bags and sachets: brand name; art work; nutrient content - Nitrogen (N)%, Phosphorous (P₂O₅)% and Potassium (K₂O)%; CN ratio; moisture content; trace and secondary nutrients (ppm for each nutrient, if any); claims; compatibility with bio-pesticides; name and address of local manufacturer or importer or distributor; direction for use; warning or precautions; batch number; lot number or code; date of manufacture or importation (if applicable).
4. This CPR must be applied for renewal within three (3) months prior to its expiration.
5. The original CPR shall be returned to DA-BAFS after its expiration or once it has been renewed, amended or revoked.

I have read and understood the Terms and Conditions herein set forth and I enter this agreement voluntarily with my consent, I hereunto affix my signature with full pledge of its legal effect
